Dear Ms. Werling:

On October 27, 2005 Vigo County Air Pollution Control (VCAPC) received a letter from Moore Langen Printing Company notifying IDEM and VCAPC of a change of company ownership. After reviewing the letter it has been determined that this change will have no effect on the Registered Construction and Operation Status letter sent to you on October 8, 2003.

VCAPC will file a copy of your letter with your Registered Construction and Operation Status letter for future reference and request you simply file a copy of this letter with your Registered Construction and Operation Status letter.

Should you have any questions please contact Scott Sines of my office at (812) 462-3433, ext 12.

Sincerely,

A handwritten signature in dark ink, appearing to read "George M. Needham". The signature is fluid and cursive, with a prominent initial "G".
